

Using pdf files in Open Meeting Section

Download Adobe Acrobat if you don't already have it, click on logo

The presentations are all watermarked and are unavailable for printing or copying. Each presentation has been configured to be full screen and pressing the enter/return key moves through the presentation slide by slide. Speaker notes when used have been incorporated to aid understanding. At the end of the presentation press the esc key.

The Workshop reports have been watermarked but are available for printing and copying.
